**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to provide different broadband services. I like using my local service provider and prefer them to the larger companies. It is important for a consumer to have choice and options. Having the internet is critical to my work and personal life. I have used the larger Comcast provider and had so many issues so was glad to have the choice to use someone else. If you take away this opportunity you will be doing a disservice to the entire community.
